Aloha Honorable State of Hawai'i Legislators,

I am proud of Representatives Creagan and DeCoite that this hopefully will be brought before The House via the Ag Committee/. Our House (homes) in Hawai'i will eat better and our economy will be benefitted, if we can pass this to allow more means to grow food for ourselves and others. What is we had a month or two of serious flooding...as a Community Emergency Response Team member, we are trained to avoid food growing in flood waters. This could be our survival.
